SUMMARY

Results-driven procurement coordinator skilled in data analysis and process optimization. Successfully designed AI-driven tools to improve data accuracy and verification speed. Committed to ensuring regulatory compliance and enhancing vendor onboarding processes.

JOB EXPERIENCE

Procurement Coordinator
06/2025 - Current

Okta Inc - Taguig, Philippines

- **AI Automation:** Designed an AI tool comparing supplier documents to Coupa forms, drastically accelerating verification speed and accuracy.
- **Vendor & Platform Management:** Led end-to-end supplier onboarding and served as the technical lead for troubleshooting the Coupa platform.
- **Risk & Compliance:** Managed OFAC screenings and compliance protocols to mitigate financial risk.
- **Testing & Optimization:** Formulated UAT test cases for system updates and authored standard SOPs to scale team efficiency.
- **AP Collaboration:** Partnered with the Accounts Payable team to expedite critical vendor profile modifications.

Vendor Master Data Analyst
09/2023 - 06/2025

IBM - Manila, Philippines

- **Data Quality:** Executed extensive SAP data cleansing on complex datasets to maximize data integrity.
- **System Troubleshooting:** Acted as Sync Error Analyst to resolve data exchange issues between SAP and downstream platforms.
- **ERP Deployment:** Partnered with cross-functional teams to test and implement SAP S/4HANA finance solutions.
- **Compliance & Support:** Handled strict supplier profile validations and guided vendors through onboarding.

Treasury Officer
01/2021 - 08/2023

Cathedral of Praise, Inc. - Manila, PH

- **Financial Operations:** Directed "cash out" workflows, wire transfers, and timely utility/BIR tax remittance deposits.
- **Reporting & Analytics:** Delivered critical financial metrics and bank balance updates to Power BI for leadership.
- **Auditing & Cash Control:** Audited check vouchers for compliance and supervised physical cash-counting and secure BPI deposits.
- **Digital Channels:** Managed GCash, PayPal, and bank transfer donations alongside original receipt issuance.

Data Encoder
08/2019 - 01/2021

Cathedral of Praise, Inc. - Manila

- **Data Integrity:** Resolved database discrepancies, check cancellations, and executed weekly member database clean-ups.
- **Project Tracking:** Generated structured weekly contribution reports tracking specialized infrastructure and building funds.
